To CCB Member organisations

INVITATION TO:

Baltic 09

Eutrophication and the Baltic Sea -challenges for environmental NGOs

Vihterpalu, Pedase, Estonia 8-10 May 2009
**Coalition Clean Baltic
Annual Conference
& Extra Ordinary General
Meeting**

Dear CCB Members, Colleagues and Friends!

We now have the pleasure to invite you to Estonia to the CCB Baltic 09 Conference and the Extra Ordinary General Meeting!

This year the CCB Baltic Conference and Extra Ordinary General Meeting will be held in Vihterpalu, Pedase, Estonia. The programme starts on Friday evening with registration and social event from 17.30 onwards and ends on Sunday afternoon with an excursion.

Eutrophication and the Baltic Sea - challenges for environmental NGOs

is the theme for this year's Conference. During the conference we will discuss the effects of eutrophication on the Baltic Sea ecosystem and actions within CCB priority areas that can be taken to combat eutrophication. The programme will be posted on the CCB home page shortly.

Extra Ordinary General Meeting

The Extra Ordinary General Meeting will be held on Sunday morning before lunch.

Working Group Discussions on CCB Priority Areas

On Saturday afternoon there will be Working Groups about CCB priority sub-areas. These discussions will be the base for the CCB Work programme 2010.

Poster Presentations

All participants are welcome to present their work connected to the theme of the Conference on a poster. Also posters presenting other work done within the CCB Member organisations connected to CCB Priority Areas are most welcome. If you plan to bring posters, please send in requests for exhibition space to the CCB Secretariat.

Language

The working language of the Conference will be English.

Excursions

On Sunday afternoon there will be an excursion.

Conference Venue

The Conference will be held at Pedase Hotel & Guesthouse in Vihterpalu, Pedase. Accommodation and meals are provided at the same location. Vihterpalu, Pedase is situated on the Baltic coast, 60 km west of Tallinn, but can unfortunately not be easily reached by public transport. Therefore CCB will provide a bus that will bring you from Tallinn to Pedase on Friday afternoon, and back again after the excursion on Sunday.

Expenses

No admittance fee is charged for the conference. However if you cancel less than ten days in advance you have to pay your own costs for accommodation if no alternate is arranged.

For participants from CCB member organisations and associated partners, CCB will cover the costs for accommodation and meals.

Travel Costs and Reimbursement

We urge member organisations to cover the travel expenses for their participants.

Participants from Ukraine and Belarus: The travel expenses will be covered from Sida-funding. Reimbursement will only be paid for the most non-expensive and convenient way of travelling.

Participants from Russia: There will be funding available for a limited number of participants from Russia.

Beyond that, there are very limited funds for reimbursement of travel costs for participants from Latvia, Lithuania, Estonia and Poland.

All reimbursement claims from all countries must be confirmed by the CCB secretariat!

No travel reimbursements will be made without confirmation given in advance! The travel costs will be reimbursed **after** the conference when you submit to the CCB secretariat a reimbursement form and all your original receipts of your travels.

Please note that you have to state your requested total amount for travel reimbursement (SEK/EURO), local transport and potential Visa cost included, in the application form. To keep the budget-line for the Baltic 09 conference, CCB can only guarantee that you will get the amount that you have stated in the application form.

When booking your travels please be aware of the CCB environmental travel policy that states that all journeys shorter than 400 km must be undertaken by bus or train. Air travel can only be considered if the distance is longer than 400km.

Application

Fill in the registration form and send it by fax or e-mail to Sara Nilsson at the CCB International Secretariat (secretariat@ccb.se). **Latest date: 26th of April**

There will be no reimbursements granted after the last day of registration (due to administrative constraints) so for those of you that want to apply for reimbursement it is essential to meet the deadline. Indicate in the form if you apply for reimbursement or not.

→ **Please note that we only have room for a limited number of participants. We will confirm to all applicants on their possible participation in the Conference, so do not book your ticket before you have your participation confirmed by the CCB International Secretariat!**

Visa Application

For those of you who need Visa please contact Andre Zahharov. Please send your passport data and home address, so that an invitation can be sent to you for Visa application. Usually, you will be best off with a "Schengen Visa", which will normally take up to ten days to be granted.

If you have any questions, do not hesitate to contact the CCB secretariat or Andre Zahharov!
